Dear Sir.

A With reference to your D.O No 1828 C.B dated 27th January 1937, I write to state that the information conveyed to the Government is absolutely false. I had no reason to help Mr Gururao Reddy in any way, as he is not a particular friend of mine nor would I do so in any case, knowing fully well that it is against the rule. Even assuming that I wished to help him, I would not be so indiscreet as to write a letter to any one or to encourage any brother to take part in any such matter & get himself into trouble as I was aware that there was keen competition in regard to the election. It is extremely painful that such malicious accusation should be made against me, when I am trying to be as strict as possible in all such matters. The election must have taken place about six months ago & the delay, to shew, constitutes a sufficient condemnation of the veracity of the information given. I would assure

the Govt that I would be the last man to take any such unworthy part in disgracing the ~~Service~~ Service.

Yours truly.
